Local Interest: Skelly Attends MDRT Annual Meeting

Prestigious Meeting Provides Educational Opportunities for Leading Financial Professionals

PARK RIDGE, ILL.— Edward Skelly, CLU, ChFC, RFC of Ashburn, VA was among the leading financial representatives who further improved their professional pedigree by attending the prestigious 2010 Million Dollar Round Table (MDRT) Annual Meeting. A 17-year MDRT member, Skelly was among approximately 6,000 MDRT members, guests and speakers who attended the five-day meeting in Vancouver, British Columbia, Canada, June 13–17.

During the event, Skelly participated in workshops and general session presentations by experts in estate planning, taxes, business, law, and other areas of vital concern to life insurance and financial services professionals. State-of-the-art life insurance and financial products and methods for improving client service were among the major themes of the meeting. The event also provided Skelly with an opportunity to gather ideas and best practices from fellow MDRT members around the world attending the event.

"Each year, MDRT does everything it can to provide the best Annual Meeting with top-notch speakers and content," said MDRT President Guy E. Baker, MSFS, CLU. "Members like Edward leave the meeting with ideas they can immediately use to improve their businesses, serve their communities and maintain strong personal values."

For more information, contact Skelly at 703 726 1313 or ed@sterlingfinancialpartners.com.

ABOUT MDRT

MDRT is The Premier Association of Financial Professionals. Founded in 1927, MDRT is an international, independent association of more than 31,000, or less than 1 percent, of the world's life insurance and financial services professionals. With membership from 80 nations and territories, MDRT members demonstrate exceptional professional knowledge, strict ethical conduct and outstanding client service. MDRT membership is recognized internationally as the standard of sales excellence in the life insurance and financial services business.
